Finals Interview:

Hector is 33 years old and resides in Philadelphia with his wife and 7 children. He has a sanctioned high game of 255 and a high series of 709. He has been a very active NABI member for over 4 years, often entering every squad with great determination to cash. He rolled his way to the Championship with his Ebonite NVS given to him by the Ebonite sponsored Pro Bowler, Tommy Jones, while attending NABI Week 2007 at the Orleans Hotel, Casino, and Bowling Center in Las Vegas.

He wishes to thank all the NABI members that come out to support the club, Bob Rimmer (Director) for his continued efforts, and Brunswick Adams Lanes for allowing him to direct the tournaments in their Center and working with him to provide the tougher lane conditions.
