**Finals Interview:**

Darnell is 28 years old, single, and resides in Baltimore, MD. He is employed as a CDL Trainer for the University of Maryland College Park. Darnell has a sanctioned high game of 300 and a high series of 726. He is currently league bowling in the NABI Trios at AMF Bowie Lanes. He rolled his way to the Championship with his Track.

I am proud to add that Darnell won the "Nationals Tournament" hosted by the Orleans Bowling Center in Las Vegas during NABI Week 2007.

Darnell wishes to thank Bob (Rimmer – Director) for providing these types of tournaments giving him a chance to hone his skills. He also wishes to thank all his fellow NABI members from Philadelphia that come out to support the club. Also thanks to the Bristol Pike mechanic that programmed the wrong pattern into the lane conditioning machine that resulted in such a nice scoring condition. He can't understand why more bowlers don't come out to support the Philly club as its format is packed with all kinds of incentives and ways to add to their winnings, not to mention that Bob is a wonderful Director that listens to his members and strives to provide them with friendly and competitive tournaments.
